

# Meteor Motor Car Company

## Christmas Ornament now available!

To honor Piqua's rich industrial heritage Mainstreet Piqua has created a series of ornaments honoring both existing and historical manufacturing companies in our community. The 5<sup>th</sup> ornament in the series is **The Meteor Motor Car Company**.

The brass ornament features the front of the original Meteor Motor Car Company building and an ambulance and hearse. The Meteor Motor Car Company, which later became the Miller-Meteor Motor Car Company, began production of luxury cars, funeral coaches and ambulances in Piqua in 1934 and remained in business through the mid 1970's. Each ornament comes in a flat 3" x 3" box made by the Piqua Paper Box Company.
